Gospel Summary

Jesus was still very sad about John the Baptist's death. But even in his sorrow, Jesus remembered the needs of others. As he tried to go to a deserted place, the crowds followed him in hopes that he would heal the sick among them. When it was late and everyone was hungry, the disciples suggested that everyone go away and buy something to eat. Instead, Jesus told the disciples to give them something to eat. They brought five loaves of bread and two fish which turned out to be more than enough for the crowd.

Reflection for Families

How many times as parents are we presented with a crisis to resolve? The disciples presented a problem to Jesus and seemingly without effort he resolved it. One of our nation's great educators, Barbara Coloroso has a piece of advice: When children recognize they have a problem, the teacher or parent responds, "You have a problem (name it). What's your plan?" We can help our children resolve their problems, but we should also be quick to point out that when God is involved, there is far more than enough.

Join us for coffee, rolls and conversation following Mass this morning, hosted by K of C.

Discerning God's Call:

The weekend of August 8-9 is the Annual Seminarian Collection. This collection was previously held in November, but as of this year, has been moved to August and is your opportunity to support the educational expenses of our seminarians. Currently, we are blessed to have eight men discerning a call to the priesthood. The cost to educate each seminarian is a little over \$50,000 per seminarian. The total cost to educate all our seminarians is almost \$500,000. Every gift to the Seminarian Education fund helps to cover the tuition, books and board and summer ministry expenses for our seminarians. Your generosity is a vital component to the success of these men as they prepare to minister to the needs of future generations of Catholics within our diocese. Thank you for your consideration and kindness.

PLEASE NOTE: You can find an envelope for this collection in your weekly offering box dated November 8th

A Family Perspective ...by Bud Ozar

The apostles were just being practical when they asked Jesus to “dismiss the crowds to go buy food.” Jesus knew there is always enough when we place our trust in the Father, even with just 5 loaves and fishes. Trust is the bridge to miracles.

Strength for this Challenging Time

We pray for your love and compassion to abound as we walk through his challenging season.

We ask for wisdom for those who bear the load of making decisions with widespread consequences.

We pray for those who are suffering with sickness and all who are caring for them.

We ask for protection for the elderly and vulnerable to not succumb to the risks of the virus.

We pray for misinformation to be curbed that fear may take no hold in hearts and minds.

As we exercise the good sense that you in your mercy provide,
may we also approach each day in faith and peace, trusting in the truth of your goodness towards us.
